SUBJECT : Senatorial Travel

1. Further to my memo of 9 June concerning Bill Miller's alert to me that "some Senators" may soon travel abroad to look into CIA work abroad, Tom Latimer of OSD notified IC Staff today that Senator Mondale is going to [redacted] has heard there are some intelligence sites there, and would like to visit them.

2. DIA's advice to Latimer is that the request be put to the DCI.

3. It is my understanding the DDO is working up some suggestions and guidelines to cover SSC visits to intelligence activities abroad. We will need to expedite this.
